Discover Luxembourg with a **free guided tour of the city**. For 2 hours a guide will walk you through some of Luxembourg's stunning attractions, such as the Grand Ducale Palace and the Corniche, dubbed the 'most beautiful balcony in Europe'. Spots need to be booked in advance, so send an email to Louise.Racke@uni.lu by August 24th to register for the guided walking tour.
The tour will be Sept. 8th at 5pm.

SELF-ORGANISED ACTIVITIES ACROSS THE GRAND DUCHY

Many beautiful **vineyards** lay along the **river Mosel.** If you like to enjoy a good Riesling or other local specialties, such as Auxerrois or Rivaner with a view, this may be for you. Most places offer tastings. This activity would require a car and a reservation. However, feel free to contact Miriam-Linnea.Hale@uni.lu for suggestions and help with reservations.

Luxembourg has many **historic castles**. If we had to choose oner, we would suggest the one in **Vianden**.

If you are a fan of **hiking**, we recommend the scenic **Müllertal** region.
